No:- SPCB/T/C/459/1402-3

Dated:- 19-10-2016

Subject:- Consent case of M/s Uflex Limited (Unit-IV), SIDCO, Industrial Complex, Bari Brahmana, Jammu.

While examining your consent to establish (fresh), it has been observed as follows:-

1. That you are a producer as defined under Plastic Waste Management Rules, 2016.
2. Under these rules the producers carry extended producer responsibility for the environmentally sound management of the product until the end of its life.
3. As a producer, you are required to work out modalities for waste collection system based on Extended Producers Responsibilities and involving State Urban Development Departments, either individually or collectively, through their own distribution channel or through the local body concerned.

In this connection you have to establish a system for collecting back the plastic waste generated due to your products. This plan of collection is to be submitted to the State Pollution Control Board while applying for consent to establish or operate or renewal. In addition you are to apply for grant of registration.

In view of the above, you are advised to go through the provisions of Plastic Waste Management rules 2016 and comply with the provisions of the said rules, so that the renewal of consent to operate can be considered accordingly.
