Order No: **36** JK PCC of 2022  
Dated: **16 / 06 / 2022**

Whereas, no activity having bearing on environment can be set up or put in operation, without the prior consent of the Pollution Control Committee, as warranted under **Section 25/26** and **Section 21** of the **Water (Prevention and Control of Pollution) Act, 1974** and **Air (Prevention and Control of Pollution) Act, 1981** respectively

Whereas, **Fabrication of metal** is classified in Orange category, for the purposes of obtaining of consent from the J&K Pollution Control Committee, keeping in view the pollution potential of the unit.

Whereas, **M/s Trikuta Metal and Fiber Industry, Amphalla-Jammu** had failed to obtain upto date consent from the JK Pollution Control Committee and was functioning in violation of the environmental laws and had been found a big source of pollution in the area. Accordingly, closure of the unit was ordered vide Order No. **103 of 2009** dated **25-11-2009** which was challenged by the unit holder before the Appellate Authority which stayed the order of the erstwhile Pollution Control Board, vide order dated **31-12-2009**.

Whereas, recently this office is in receipt of numerous complaints against operation of the units and on assessment by the officials of the JK PCC, it has been found that the industrial unit is causing pollution in the area which is detrimental to the public health and is in operation in flagrant violation of the environmental norms and the laws existing thereto.

Whereas, after the commencement of the **J&K Reorganization Act, 2019**, no fresh Appellate Authority has been constituted by the Union Territory of J&K Government, as such, the order passed by the Appellate Authority on 31-12-2009 has lost its validity.

Whereas, the units in question cannot be allowed to run un-authorizedly with above status and to the detriment of human health and environment.

Now, therefore, in exercise of powers vested in the J & K Pollution Control Committee under **Section 33 (A)** and **Section 31 (A)** of the **Water (Prevention and Control of Pollution) Act, 1974** and **Air (Prevention and Control of Pollution) Act, 1981**, read with **Section 5** of the **Environment (Protection) Act, 1986**, immediate closure of **M/s Trikuta Metal and Fiber Industry, Amphalla-Jammu** is hereby ordered and in this behalf the:-

- i). Deputy Commissioner/ District Magistrate, Jammu is directed to get the unit under the name and style of **M/s Trikuta Metal and Fiber Industry, Amphalla-Jammu**, closed immediately.
- ii). Chief Engineer, Power Development Corporation (PDCL), canal road Jammu is directed to disconnect the electric supply to the above said units immediately.
- iii). Director, Industries & Commerce Department, Jammu is directed to deregister the unit, if registered.
- iv). Prop. **M/s Trikuta Metal and Fiber Industry, Amphalla-Jammu** is directed to cease the operation of the unit forthwith.

**As approved by the Competent Authority.**

  
(Dr Kumar M K ) IFS  
Member Secretary  
JK PCC, Jammu.

No.: PCC/LSJ/69/2021/180-185
