

Government of Jammu and Kashmir
J&K State Pollution Control Board,
Parivesh Bhawan, Narwal Jammu

M/s DLS Plywood,
Chak Dhari, Hiranagar,
Kathua

No.SPCB/ TIC/202/935-36

Dated:- 19/02-2016

Subject :- Your application for grant of Consent to Establish(Fresh)

Your application for grant of consent to establish(fresh) was examined by the Board and following shortcomings are found :-

1. To submit NOC from the locals regarding no objection on the siting of Industry as your unit is located in private land,
2. To submit detail of PCDs (Air Pollution Control Devices) as the same is not proposed in the project report and your unit is air polluting.
3. To submit an affidavit to the Board that in case of any public complaint due to environmental degradation, you will be required to shift the unit to some other suitable place at your own risk and responsibility.

You are advised to make up these shortcomings at the earliest to process your case for consent to establish(fresh).
